Across Belize Donation Form

A project like *Across Belize* can only happen with support from people like you. Despite the excitement and adventure that comes with the trip, the purpose of the trip is to raise money for ***Rivers of the World's*** work in Belize. This means raising the money for individual projects, as well as the expenses needed to have ROW working in Belize throughout the year.

When you donate to the *Across Belize* project, our pledge to you is that you will see where your donation is going, and how it is changing the lives of the people in Belize. At ROW we pride ourselves on being able to connect our donors to the projects, and this project is no different. In the months to come you are encouraged to continue to visit the website and read our updates to the blog, watch uploaded videos from Belize, and download the monthly newsletters. All of this is to keep you connected to the project from start to finish.

Your tax-deductible donation is what will make the *Across Belize* project a success, and you can help even more by spreading the word about the project! Make copies of this form and share them with your friends and family so that they, too, can be part of this exciting way that ROW is going to help the people of Belize. Do you think your church, school, or civic-minded club would be interested in sponsoring the trip? Would you want to host a fundraising event? Then contact and invite Nick or Scott to come speak to your group! The more you can help to spread the word about the trip and encourage others to donate, the more time and energy ROW will have to continue its mission of serving alongside the people of Belize.
